These lipsticks are creamy, hydrating, and long lasting. They have a slightly matte finish, but they dont dry out your lips. They go on very smoothly and they dont have an overpowering smell. I wore the color 'Secret' for my wedding.

I never used to use lipsticks, but since I've tried this one, I'm obsessed and wouldn't leave the house with it. Natural color, long-lasting and looks great!

The color wasn't as dark as I thought, but the color never fades and I don't feel like my lips are drying out at all. In fact, my lips feel extra hydrated. I love their lipsticks.
